**GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY  
AND DISCLAIMER REGARDING DEBTORS' SCHEDULES AND STATEMENTS**

The Schedules of Assets and Liabilities (collectively the "Schedules") and the Statements of Financial Affairs (collectively the "Statements" and, together with the Schedules, the "Schedules and Statements") filed by Hereford Biofuels, L.P., *et al.* (collectively, the "Debtors"), in the United States Bankruptcy Court for the Northern District of Texas (the "Bankruptcy Court"), were prepared pursuant to section 521 of title 11 of the United States Code (the "Bankruptcy Code") and Rule 1007 of the Federal Rules of Bankruptcy Procedure by the Debtors' management, and are unaudited. While those members of the Debtors' management responsible for the preparation of the Schedules and Statements have made a reasonable effort to ensure that the Schedules and Statements are accurate and complete based on information known to them at the time of preparation after reasonable inquiries, inadvertent errors may exist and/or the subsequent receipt of information may result in material changes in financial and other data contained in the Schedules and Statements that may warrant amendment of the same. Moreover, because the Schedules and Statements contain unaudited information that is subject to further review and potential adjustment, there can no assurance that these Schedules and Statements are complete or accurate. The Debtors reserve the right to amend their Schedules and Statements from time to time as may be necessary or appropriate. This Global Notes and Statement of Limitations, Methodology, and Disclaimer Regarding Debtors' Schedules and Statements (the "Global Notes") is incorporated by reference in, and comprises an integral part of, the Schedules and Statements and should be referred to and reviewed in connection with any review of the Schedules and Statements.

**1. Description of the Cases and "As Of" Information Date.** On January 23, 2009 (the "Petition Date"), each Debtor filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. The Debtors' cases are jointly administered under case number 09-30453. The Debtors are currently operating their businesses and possessing their property as debtors-in-possession under sections 1107 and 1108 of the Bankruptcy Code. Except as otherwise noted,

---

<sup>1</sup> The Debtors are the following four entities (the last four digits of their respective taxpayer identification numbers follow in parentheses): Hereford Biofuels, L.P. (7548); Hereford Biofuels Holdings, LLC (9762); PHE I, LLC (7511); and PHE II, LLC (9412). The address of each of the Debtors is 4100 Spring Valley, Suite 1002, Dallas, Texas 75244.

all asset and liability information is as of the Petition Date. The Debtors have made every reasonable effort to allocate liabilities between pre-Petition Date and post-Petition Date periods based on the information and research conducted in connection with the preparation of the Schedules and Statements.

**2. Amendments.** The Debtors reserve their right to amend the Schedules and Statements in all respects at any time as may be necessary or appropriate, including, without limitation, the right to dispute or to assert offsets or defenses to any claim reflected on the Schedules and Statements as to amount, to liability, or to classification, or to otherwise subsequently designate any claim as "disputed," "contingent," or "unliquidated." Any failure to designate a claim as "contingent," "unliquidated," or "disputed" does not constitute an admission by the Debtors that such claim is not "contingent," "unliquidated," or "disputed."

**3. Estimates and Assumptions.** The preparation of the Schedules and Statements requires the Debtors to make certain estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities on the date of the Schedules and Statements and other matters. Actual results could differ from those estimates.

**4. Unknown Amounts.** Some of the scheduled liabilities are unknown and unliquidated at this time. In such cases, the amounts are listed as "Undetermined." Accordingly, the Schedules and Statements do not accurately reflect the aggregate amount of the Debtors' liabilities.

**5. Prepetition v. Postpetition.** The Debtors have sought to allocate liabilities between the prepetition and postpetition periods based on the information available and the research conducted in conjunction with the preparation of these Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between prepetition and postpetition periods may change.

**6. Basis of Presentation.** These Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles ("GAAP"), nor are they intended to fully reconcile to any financial statements otherwise prepared and/or distributed by the Debtors.

**7. Asset Values.** It would be prohibitively expensive, unduly burdensome, and time-consuming to obtain current market valuations of the Debtors' property interests. Accordingly, to the extent any asset value is listed herein, and unless otherwise noted therein, net book values rather than current market values of the Debtors' property interests are reflected the applicable Schedule or Statement. Unless otherwise indicated, all asset amounts and claim amounts are listed as of the Petition Date.

**8. Causes of Action.** The Debtors reserve all of their causes of action. Neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any such cause of action. Furthermore, nothing contained in the Schedules and Statements shall constitute a waiver of rights with these chapter 11 cases, equitable subordination and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and other relevant nonbankruptcy laws to recover assets or avoid transfers.

**9. Insiders.** In the circumstances where the Schedules and Statements require information regarding insiders and/or officers and directors, included therein are each of the Debtors' (a) directors (or persons in similar positions) and (b) employees that are, or were during the relevant period, officers (or persons in control). The listing of a party as an insider is not intended to be nor should it be construed as a legal characterization of such party as an insider and does not act as an admission of any fact, claim, right, or defense, and all such rights, claims, and defenses are hereby expressly reserved. Further, employees have been included in this disclosure for informational purposes only and should not be deemed to be "insiders" in terms of control of the Debtors, management responsibilities or functions, decision-making or corporate authority and/or as otherwise defined by applicable law, including, without limitation, the federal securities laws, or with respect to any theories of liability or for any other purpose.

**10. Summary of Significant Reporting Policies and Practices.** The following conventions were adopted by the Debtors in preparation of the Schedules and Statements:

- (a) Fair Market Value; Book Value. Unless otherwise noted therein, the Statements reflect the carrying value of the liabilities as listed in the Debtors' books and records.
- (b) Inventories. Inventory is based on appraised value, pursuant to an appraisal conducted in December 2008.
- (c) Setoff/Recoupment Rights. The Debtors have not included on Schedule D parties that may believe their claims are secured through setoff rights, deposits posted by or on behalf of the Debtors, or inchoate statutory lien rights. Such counterparties have been listed on Schedule F.
- (d) Disputed, Contingent and/or Unliquidated Claims. Schedules D, E, and F permit the Debtors to designate a claim as disputed, contingent, and/or unliquidated. A failure to designate a claim on any of these Schedules and Statements as disputed, contingent, and/or unliquidated does not constitute an admission that such claim is not subject to objection. The Debtors reserve the right to dispute, or assert offsets or defenses to, any claim reflected on these Schedules and Statements as to amount, liability, or status.
- (e) Executory Contracts. The presence of a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or unexpired lease. The Debtors reserve all of their rights, claims, and causes of action with respect to the contracts and agreements listed on Schedule G.

Neither the Debtors, their agents nor their attorneys guarantee or warrant the accuracy, the completeness or correctness of the data that is provided herein or in the Schedules and Statements, and neither is liable for any loss or injury arising out of or caused in whole or in part by the acts, errors or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating or delivering the information. While every

effort has been made to provide accurate and complete information herein, inadvertent errors or omissions may exist. The Debtors and their agents, attorneys and advisors expressly do not undertake any obligation to update, modify, revise or re-categorize the information provided herein, or to notify any third party should the information be updated, modified, revised or re-categorized. In no event shall the Debtors or their agents, attorneys and advisors be liable to any third party for any direct, indirect, incidental, consequential or special damages (including, but not limited to, damages arising from the disallowance of a potential claim against the Debtors or damages to business reputation, lost business or lost profits), whether foreseeable or not and however caused, even if the Debtors or their agents, attorneys and advisors are advised of the possibility of such damages.

## SCHEDULE D - CREDITORS HOLDING SECURED CLAIMS

State the name, mailing address, including zip code, and last four digits of any account number of all entities holding claims secured by property of the debtor as of the date of filing of the petition. The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. List creditors holding all types of secured interests such as judgment liens, garnishments, statutory liens, mortgages, deeds of trust, and other security interests.

List creditors in alphabetical order to the extent practicable. If a minor child is the creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See, 11 U.S.C. §112 and Fed. R. Bankr. P. 1007(m). If all secured creditors will not fit on this page, use the continuation sheet provided.

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H – Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "Husband, Wife, Joint, or Community."

If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Total the columns labeled "Amount of Claim Without Deducting Value of Collateral" and "Unsecured Portion, if Any" in the boxes labeled "Total(s)" on the last sheet of the completed schedule. Report the total from the column labeled "Amount of Claim Without Deducting Value of Collateral" also on the Summary of Schedules and, if the debtor is an individual with primarily consumer debts, report the total from the column labeled "Unsecured Portion, if Any" on the Statistical Summary of Certain Liabilities and Related Data.

Check this box if debtor has no creditors holding secured claims to report on this Schedule D.
